She's an Australian hottie who moved to England many years ago and will probably become really famous for her amazing looks pretty soon. That's almost all we know about her. I think she's just 20 years old right now which means we're gonna see and hear a lot more of this peach in the future and... until now she showed off her perfectly shaped body for various designers and even for GQ magazine.

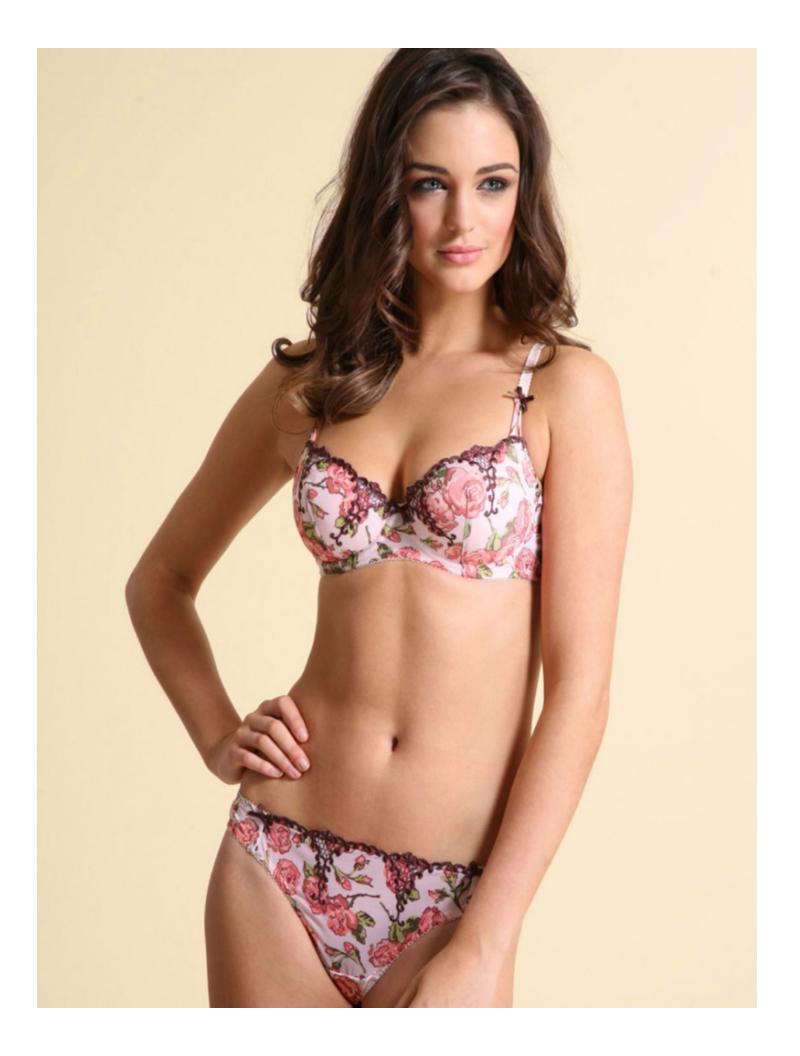

Now let's get to the good stuff. This girl recently posed for La Senza but today we have something even better for you. I've been holding onto these lingerie photos with Lauren Budd for quite some time and now it's finally time to share them with you guys. I think these pics are a bit old, but who cares?

Adorably hot angel and Polish hottie Kamila Mackowiak is always a welcomed treat, and one that really doesn't affect my health – unless my wife notices me as I gawk at this blonde's sensual body-lines. I mean, just look at her! She has a mesmerizing look, which few women have, a great body and especially a naughty and perky upper floor. She totally oozes sex appeal so.. she's pretty damn hot! But do I spot a nipple in that picture? Oh, please, let it be so!
